

CENTRAL NORMAL SCHOOL

TE KURA TUATAHI O PAPAIOEA

Term 1 Week 7

Whaia Kia Tutuki ~ Strive to your Potential

14 March 2019

Bula Vinaka, Bonjour, Guten Tag

Have you noticed our new school signs? We have installed new signage on Featherston and Beresford Streets, reflective of our new vision and values. You may notice there has also been a slight modification to our school logo, which brings the tamariki into the centre of the school (whereas previously, they were on the side of the school). Bringing the tamariki into the centre of our school logo, represents our core business - that the tamariki are at the centre of what we do and our decision making.

Drive In Movie - Thursday 4 April, 5.30pm

Has your child bought their ticket for our first ever drive in movie? This is a fun fundraiser organised by our PTA, where children can create their own 'car' to bring and sit in for the drive in movie. Tickets are \$5 each, which gives your child entry to the movie and a snack box to enjoy. The movie that will be screened is The Incredibles 2

Tummy Bug

If your child is suffering from a tummy bug (vomiting and diarrhoea) there is a free service available from most community pharmacies for children under the age of 15. If your child is unwell, take them to your local pharmacy, as the pharmacist will need to see your child. The pharmacist will speak to you about options and if required, will provide you with medicine free of charge.

Touch Rugby

Our touch rugby teams have had a fantastic season of touch, which finished last Friday. A big congratulations to all our children who participated in the season and a big thanks to all the coaches, volunteers and staff who supported the season.

Early Finish

A reminder that we are finishing early on Friday 22 March at 12.50pm, to allow our teachers to attend their paid union meeting. A notice was sent home with all children asking if they would be collected at this time or remaining at school. Please Note: there will only be limited supervision available at school. If you haven't already done so, PLEASE send this panui back to us (a copy can be found on Facebook). We will not allow any child to walk home unsupervised at this time.

Room 1 children with our new sign

Early finish - Friday 22 March, 12.50pm

Cloud 9 Support for Schools

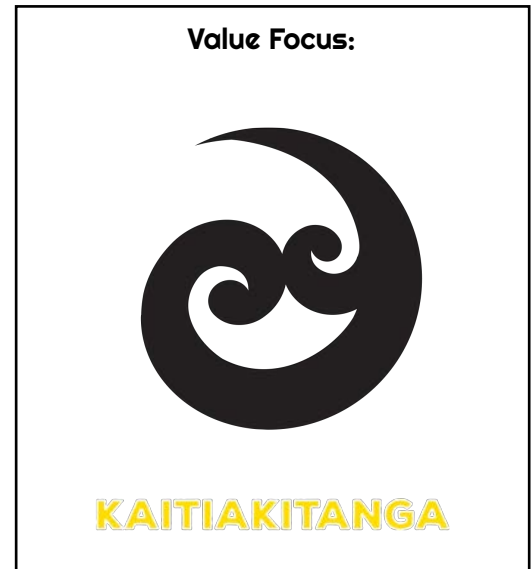

Many of you may be familiar with the Cloud 9 trampoline park on Taonui Street near our school. Cloud 9 are moving to be plastic bottle free. In place of selling plastic bottle drinks, they have installed a refrigerated water bottle filling station, where people can take along their own water bottle to be filled. If you don't take in a water bottle, you can purchase one of their water bottles, or a paper cup for 50c. For every paper cup sold, the money they raise will be donated to local schools. Cloud 9 will also be setting up token boxes. People can pay an extra \$1 on top of their entry price, to receive a token to drop into a box for a charity or school of their own choice. Central Normal School has signed up to this and we have a token box at Cloud 9! Please let all your friends and whānau know that if they head to Cloud 9, they can support our school. Cloud 9 hope to give away a couple of thousand dollars every month to local schools and charities. Thanks in advance for your support.

Forms

Last week we sent out three very important forms to every family to complete and send back to school. We would **REALLY** like all these forms to come back to school. If you can complete the forms and get them back to us TODAY, you go in the chance to win a \$50 Countdown voucher. Coming home today for our Year 3/4 children is a yellow Student User Agreement form. This form outlines the rules of use and what children should do if they come across a problem when using a mobile device.

Triathlon

Yesterday Josh and Eve competed in the inter-schools triathlon. They both competed exceptionally well and showed plenty of perseverance and enthusiasm. Congratulations to Josh who placed a very commendable 5th out of 50 competitors! Tumeke Josh and Eve.
